- Homebuyers can add up to \$6,000 to their VA loan to have energy-efficient improvements installed
- No monthly mortgage insurance
- Less restrictive qualifying terms
- Homebuyers are still eligible, even after a short sale

FHA Loan Program

Less restrictions. More possibilities.

The Federal Housing Administration (FHA) is an agency within the Department of Housing and Urban Development (HUD). FHA loans are designed to help creditworthy, low- to moderate-income families by offering a mortgage with lower down payment requirements and less restrictive qualifying criteria.

BENEFITS OF AN FHA LOAN INCLUDE

- Only a 3.5% down payment is required
- Down payment can be a gift or a loan to the borrower from an eligible source such as a family member or a state bond program
- Flexible guidelines for income-qualifying ratios
- Minimum credit score is 580 (additional restrictions apply)
- Non-traditional credit allowed for buyers with little to no established credit
- Sellers may pay 6% toward closing costs, prepaids, buy downs, etc.

Contact Atlantic Bay, and we'll be happy to discuss if an FHA loan is right for you.
